

**REAL
CARAVANS
FOR THE
OUTBACK**

For 30 years, Bushtracker has been leading the way in off-road travel,
building caravans that take adventurers further.

Proudly family-owned and operated, Bushtracker was founded
by outback caravanning enthusiasts who couldn't find a caravan
that met their own high standards for durability, capability and
comfort in remote conditions.

So they built their own.

That same passion for adventure and quality
craftsmanship still drives us today.

**WHETHER YOU'RE HEADING
OFF-GRID FOR WEEKS,
TACKLING RUGGED OUTBACK
TRACKS OR SIMPLY CHASING
THE FREEDOM OF THE OPEN ROAD,
BUSHTRACKER IS BUILT TO KEEP
UP WITH YOUR ADVENTURES.**

Every Bushtracker is handcrafted from the ground up, using premium materials, precision engineering and personalised design to create a caravan as unique as the people who tow them. We don't just build caravans – we design them with you, ensuring your Bushtracker is built for the way you love to travel.

Designed to conquer the outback yet crafted with all the comforts of home, Bushtracker caravans let you explore Australia's most remote and breathtaking landscapes with confidence.

**"WHEN YOU CHOOSE BUSHTRACKER, YOU'RE NOT JUST BUYING
A CARAVAN – YOU'RE GAINING A TRUSTED TRAVEL COMPANION
BUILT FOR A LIFETIME OF ADVENTURE."**

TRACY BRUNES, FOUNDER

THE BUSHTRACKER DIFFERENCE

From the way we handcraft each van to the relationships we build with our customers, we are committed to uncompromising quality, true personalisation and lifetime support.

DISCOVER WHAT SETS
BUSHTRACKER APART.

CRAFTSMANSHIP

Proudly Australian-made, every Bushtracker is meticulously handcrafted using aircraft-grade aluminium frames and military-grade suspension. We're also the only Australian manufacturer that guarantees our vans are waterproof up to 1.2m with our unique watertight door. Built by skilled local tradespeople, each van is engineered with exceptional attention to detail, safety and longevity, so you can go further and stay longer.

PERSONALISATION

We have never made two identical vans. Every caravan is custom-built in collaboration with you, ensuring the perfect fit for your travel needs, lifestyle and adventures. From layout and features to technology and styling, our experienced team works with you to design a bespoke off-road home that feels like yours, no matter where the road takes you.

TRANSPARENCY

We believe in building with integrity. Every Bushtracker is manufactured at our Sunshine Coast factory, where we welcome you behind the scenes with guided factory tours. See firsthand how your caravan is built – from the chassis up – and experience the craftsmanship and care that sets Bushtracker apart.

LIFETIME SUPPORT

As a family-owned business, we're invested in your journey long after you take delivery. Our founders and team are passionate off-road travellers who provide expert advice, comprehensive servicing, renovations and repairs to keep your Bushtracker performing at its best – protecting its long-term value and your investment.

YOUR BUSHTRACKER JOURNEY

At Bushtracker, every caravan is built from the ground up, just for you. As a fully custom manufacturer, we start with a blank canvas and work with you to create a highly personalised off-road caravan tailored to your unique travel style, taste and requirements. In fact, in 30 years, no two Bushtrackers have ever been the same.

STEP INSIDE OUR
LATEST SHOW VAN.

STEP 1

DREAM & DESIGN

Not sure where to start? We make the process easy. Browse our range of popular layouts for inspiration, then sit down with our experienced team to design a layout that suits your adventure goals. Whether you need extra storage, an outdoor kitchen, a full laundry or a dedicated workspace, if the layout fits, we can do it.

STEP 2

PERSONALISE YOUR SPACE

This is where your Bushtracker truly becomes yours. We offer an extensive range of customisation options, allowing you to design an interior and exterior that reflects your style, comfort preferences and off-grid needs.

Every Bushtracker is crafted for adventure but designed for you. Whether you want an ultra-modern interior, a rugged outback-ready look or something in between, we help bring your vision to life via:

Flooring & Finishes

Choose from durable vinyl flooring and a wide range of cupboard colours, elevations and materials.

Lighting & Tech

Customise your internal and external lighting setup and equip your Bushtracker with premium audio and entertainment options.

Appliances & Comfort

Select from top-tier fridges, air conditioners and heaters, power-saving washing machines and dryers, and premium ovens and cooktops, ensuring your van is ready for any climate and every adventure.

Upholstery & Styling

Customise your Bushtracker's soft furnishings with premium leather or fabric seating, curtains and upholstery – available in a range of colours to suit both your personal style and your tolerance for outback dust!

Exterior Cladding & Protection

Opt for sleek fibreglass or classic aluminium and enhance durability with body armour in either polished silver checker plate or a smooth heavy-duty polyurethane coating.

STEP 3

BUILT FOR YOU

Once your design is finalised, our expert team brings it to life at our Sunshine Coast factory. Every Bushtracker is meticulously handcrafted using premium materials, cutting-edge construction techniques and the toughest components for off-road durability. We believe in full transparency and buyers are welcome to visit the factory at any stage to check on their van's progress.

STEP 4

READY TO ROLL

When your Bushtracker is complete, we take you through a comprehensive handover, ensuring you're familiar with every feature and function. Then, it's time to hit the road – your adventure starts here!

STEP 5

LIFETIME SUPPORT & AFTERCARE

Your Bushtracker journey doesn't end when you drive away. Bushtracker is with you every step of the way with industry-leading after-sales service and expert support including:

- **Comprehensive servicing & repairs**

Our team provides ongoing maintenance, renovations and expert advice to keep your Bushtracker in peak condition.

- **Unmatched outback expertise**

With decades of experience in off-grid travel, we offer practical knowledge to help you navigate Australia's toughest terrain.

- **A nationwide support network**

With thousands of Bushtracker owners on the road, you'll be part of a community that always has your back. Connect with other owners via the Bushtracker Owners Group and Bushtracker Caravan Owners Family.

DON'T JUST TAKE OUR WORD FOR IT – HEAR FROM BUSHTRACKER OWNERS ANNE AND DAVID.

FAQS

Why choose a Bushtracker over other offroad caravans?

Unlike mass-produced vans, each Bushtracker is handcrafted in Australia, designed in collaboration with you, and backed by 30 years of expertise from a team that lives and breathes offroad travel. Built with aircraft-grade aluminium frames, military grade suspension and fully customisable layouts, every Bushtracker is engineered to handle Australia's harshest conditions while providing long-term reliability and resale value.

How much is a Bushtracker?

Every Bushtracker is custom-built to suit your unique travel needs, so pricing varies depending on size, layout, features and specifications. For a personalised quote and to explore options that fit your budget and travel style, get in touch with our team.

Where are Bushtracker caravans made?

All Bushtracker caravans are made at our factory on the Sunshine Coast, Queensland. We welcome visitors for guided tours so you can see the craftsmanship firsthand.

Where can I see a Bushtracker in person?

You can visit our factory on the Sunshine Coast, where we offer guided tours that take you behind the scenes of our production process. We also showcase our display models at select caravan shows throughout the year, where you can step inside a fully completed Bushtracker, explore the features in person and discuss your specific requirements with the team.

Do you have ready-made caravans available?

Because every Bushtracker is custom-built to order, we don't typically have stock caravans available, however we do occasionally have ex-display and show vans for sale. These are fully equipped with premium features and offer a great opportunity for those looking to skip the queue. Contact us to check current availability or join our waitlist for upcoming show van releases.

How long does it take to build a custom Bushtracker?

Build times vary depending on specifications and demand but we recommend getting in touch early to secure your place in our production schedule.

How is power managed in a Bushtracker caravan?

Bushtracker caravans are designed for true off-grid adventure, featuring an advanced lithium battery system that delivers reliable, self-sufficient power wherever your journey takes you. With high-efficiency solar panels and a seamlessly integrated energy system, your Bushtracker can run essential appliances like fridges, air-conditioning, washing machines and more – without relying on external power sources.

What warranty do you offer?

Every new Bushtracker comes with a comprehensive 2-year warranty and a 10-year structural warranty on the chassis and frame, guaranteeing they won't crack, fatigue, rot, delaminate or deteriorate over time. We use only high-quality components and appliances, each backed by their own respective manufacturer warranties.
